MasterGraphics Wins Annual HP 3D Printing Best Service Provider Award
Accepts Award at HP 3D Printing Partners Kick-Off in Portland, OR

Madison, Wis., December 21, 2017 – Concluding this year’s HP 3D Printing Partners Kick-Off in Portland, OR (November 27th-29th, 2017), MasterGraphics, Inc. was awarded with HP 3D’s annual Best Service Provider award. The award further cements MasterGraphics as a leading provider of 3D printing solutions in the Midwest. For the MasterGraphics team, this is a big achievement in demonstrating their unrivaled approach to customer-driven service and support.

“It’s great to be recognized as not only a premiere seller, but also as a top product and service provider in the 3D printing industry. It’s a true testament to the time and commitment our 3D printer division exudes every day, ensuring our partnerships and customer support initiatives live up to the great products we’re selling,” said Kevin Carr, General Manager, Imaging Solutions Group of MasterGraphics.

Every year, HP 3D Printing selects just one of its many resellers as the year’s Best Service Provider. As this year’s winner, MasterGraphics has played a significant role in shaping the present and future of HP 3D Printing products with its wide-ranging customer service capabilities.
